

## Omitted Exercises – 2024

1. Teachers can remove up to one-quarter (25%) of exercises from the exam.
2. To avoid confusion, all fractions of exercises should be rounded down:  
For example if there are 17 exercises, you divide by 4 to get one-quarter, this gives you 4.25. Therefore up to 4 exercises can be omitted.
3. Each Dance or Performance piece is counted as 1 exercise:  
For example if an exam has 15 exercises and 2 dances then the total number of exercises would be 17 and 4 of these exercises can be omitted (as per point 2).
4. All Dances must be performed.
5. At least one exercise from each section must be shown:  
For example the entire pirouettes section cannot be removed.
6. Classical Ballet – Unseen enchainments can be included in your omitted exercises.
7. All entrants in the same grade must show/omit the same exercises.
8. The same amount of time will be allocated to the exam groups and therefore the exam fees will remain the same. This will give the examiners the discretion to give students more attempts at exercises if required and take time to encourage students through the exam.
9. **A list of your omitted exercises must be emailed to [admin@atod.net.au](mailto:admin@atod.net.au) no later than 1 week prior to your exam date.** You should also present this as a written document at the start of the exam day. Your list should include the following:
